

# NUANCE

The experience speaks for itself™

## DATASHEET

### Dragon® NaturallySpeaking® Professional 9

Dragon NaturallySpeaking Professional 9 will save you and your organization money because it empowers anyone to create documents over three times faster than typing. It also protects against repetitive stress injuries that result in lost

productivity, higher workers compensation premiums and higher temporary labor costs.

The accuracy, performance and ease-of-use in Dragon NaturallySpeaking Professional 9 make it the ideal solution for busy corporate professionals. You and your employees can use Dragon NaturallySpeaking Professional to create documents and email messages, write reports and complete forms, all by voice. It is compatible with all Microsoft® Office applications: Word®, Excel®, Outlook® and PowerPoint® as well as Corel® WordPerfect®. In fact, Dragon NaturallySpeaking Professional 9 works with almost any Windows® application, enabling you to leverage the power of speech recognition in multiple applications.

### THE MOST ACCURATE DRAGON NATURALLYSPEAKING EVER!

Dragon NaturallySpeaking Professional 9 delivers up to 99% accuracy.

### FASTER AND SAFER THAN TYPING!

Most people speak over 120 words per minute, but type fewer than 40 words a minute. Create documents and e-mails three times faster with Dragon NaturallySpeaking Professional 9.

### SECTION 508 CERTIFIED

Dragon NaturallySpeaking Professional 9 can meet all your disability management needs. It is Section 508 certified which means that it meets the US government's highest standards for ensuring software applications are accessible to people with disabilities.

### EASY TO USE – NO SPECIAL USER TRAINING REQUIRED

Dragon NaturallySpeaking Professional 9 installs quickly. No need to read scripts before dictating into your PC. Easy-to-follow on-screen tutorials included!

### SUPPORT FOR CITRIX® THIN-CLIENT ENVIRONMENTS!

Deploy Dragon NaturallySpeaking Professional 9 on a Citrix server so dictation can be available from Citrix thin-clients throughout your organization.
