

SAVE ON LEGAL TRANSCRIPTION COSTS

- Complete legal reports and documents faster and with fewer mistakes.
- Save Attorney Time and Transcription Costs.
- Attorneys may Dictate Directly to a Personal Computer or to a pocket sized Olympus solid-state digital recorder. Your recorded reports are then transferred to and automatically transcribed in the P.C., Then you or your Assistant can correct any errors, save and print your documents.
- Increase the Accuracy of your work so you can get Paid for All the work you perform.

Easy

Speak directly into All Your Windows Applications including Microsoft Office including Microsoft Word.

Productive

Voice macros and templates speed you through repetitive tasks.

Powerful

Command, control and navigate your desktop, applications, E-mail and the Internet using only your voice.

It's true! Finally, Speech Recognition made easy!

Legal Vocabularies for Dictation

Crown International offers a Legal Vocabulary plus Vocabularies on Medical Malpractice and Workers Compensation & Disability to meet your dictation needs. You can view and print other flyers on Digital Dictation Recorders, Wireless Headsets and more our web site www.crown1.com.

Olympus Professional Digital Dictation Recorders

You can dictate to Olympus models DS-4000 and DS-3300 and have ViaVoice automatically transcribe your work. You can even delegate the correction and printing to an assistant

Plantronics CS50 USB Wireless Headsets

You can dictate without wires. This less than 1 oz wireless headset allows you to freely work up to 200' away from your computer with up to 8 hours working time. See CS50 USB flyer for details.
