

SAVE ON MEDICAL TRANSCRIPTION COSTS

- Complete medical reports faster and with fewer mistakes.
- Save Physician Time and Transcription Costs.
- Physicians may Dictate Directly to a Personal Computer or to a pocket sized Olympus solid-state digital recorder. Your recorded reports are then transferred to and automatically transcribed in the P.C., Corrected, Saved and Printed.
- Increase the Accuracy of your Reports so you can get Paid for All the work you perform.

Easy

Speak directly into All Your Windows Applications including Microsoft Office and Electronic Medical Records.

Productive

Voice macros and templates speed you through repetitive tasks.

Powerful

Command, control and navigate your desktop, applications, E-mail and the Internet using only your voice.

It's true! Finally, Speech Recognition made easy!
